

SOCCER

Congratulations to our U15 Soccer team which was placed second at last week's St David's Challenge Cup.

CHAMBERLAIN FAMILY SCHOLARSHIP

The *Chamberlain Family Scholarship* was started by brothers Vaughan and Gavin in recognition of the five years during which Vaughan's son, Stuart, was at the school. Stuart was Captain of Rowing in his final year. This scholarship has supported four boys who have a passion for rowing, over the past five years. These scholarships give boys an opportunity to attend and excel at our amazing school.

LEADERSHIP CAMP

As has become customary, the Grade 11s recently embarked on the annual Leadership Development Course. Their successful completion of the four-day course will stand them in good stead going forward as they are now equipped with the basic tools needed to show moral courage, to make a difference and to serve the school now and in the future.

COMPUTER OLYMPIAD

A total of seventeen Grade 10s participated in the second round of the Computer Olympiad, which is the more difficult coding paper of the event. In total we had 38 boys (from Grade 10-12) competing. Well done!

WORLD KNOWLEDGE OLYMPIAD

Congratulations to Malose Makwea who was placed FIRST in the Republic of South Africa (Grade 10) in the recent World Knowledge Olympiad hosted by the University of the Free State. Well done, Malose!

LIFE SCIENCES

Grade 8R (below) making DIY "telescopes" to view different star constellations in Natural Sciences.

OLD BOYS' NEWS

An absolutely amazing result for Lawrence Brittain (2008) and Shaun Keeling (King Edward VII) in receiving a Silver Medal for finishing second in the Pair Event at the 2016 Rio Olympic Games! What an amazing achievement.
