PARKTOWN DNA – New monthly feature

The Parktown DNA encapsulates our values: Those aspects that we want to live up to in the numerator and those anti-values we want to avoid and eradicate in the denominator:

FEATURED VALUE: 'CAN DO ATTITUDE'

CAN DO ATTITUDE

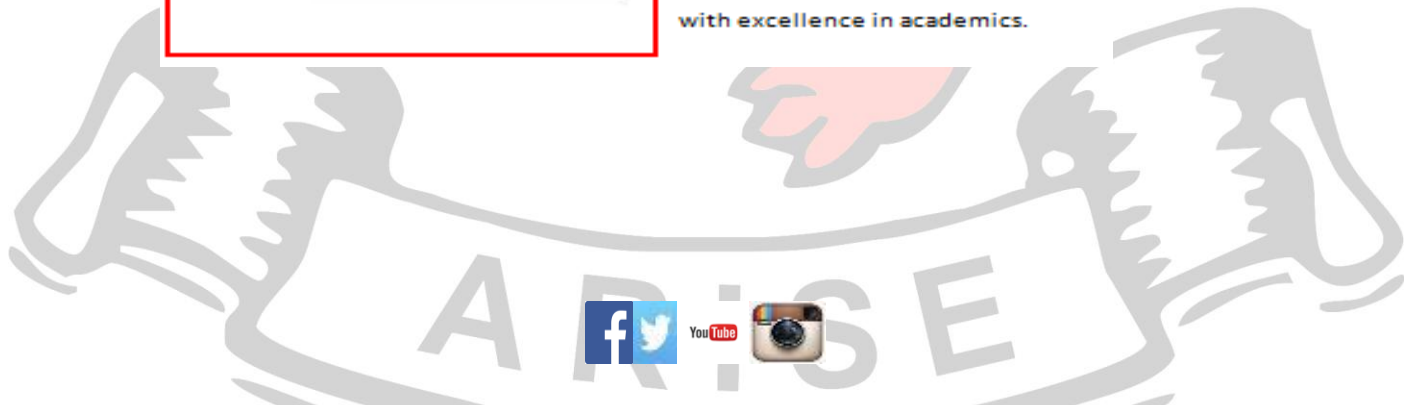

From our Z-Card:

All of us "deliver" in areas related to education:

- We meet deadlines
- We strive for excellence
- We respect each other
- "Nothing is impossible"

What is expected from us at all moment is nothing less than 'our very best'.

Vivid example: A Parktown boy should be able to be fully involved in extramurals while performing with excellence in academics.
