Message from the Acting Headmaster

Dear Parktown Community

Firstly I must say thank you for all the support I have received over the past three months. It is comforting to know that in times of adversity we as a community are able to pull together and emerge stronger.

A few important points to note:

1. School will officially close at 11h30 on this Friday 30th of June and will re-open on Monday 24th of July.
2. From next term there will be lockers available in the Tuck Shop and Sports Centre. These are designed to hold valuables and are to be used during sports practice. Your son will need to bring a lock if he wishes to make use of the locker for the afternoon.
3. ***A decision has been taken that no boy will be allowed to wait outside the main entrance of the school after 16h00. This is for your son's security. After 16h00 you will be required either to drive in and fetch him at the Jubilee Lounge, or he will be able to leave through the pedestrian exit. We request you co-operation in this regard.***

Good luck to the provincial rugby and hockey players and staff for their various festivals around the country and to the European Cultural tour group travelling to Eastern Europe. We look forward to hearing about your experiences!

A note from the SGB Chair – *Please be aware that the Headmaster's post has been advertised. There were some procedural delays in completing the interim process. This will now continue into the 3rd term. Mr Stippel will continue to act in this position. Mr N Greyling*

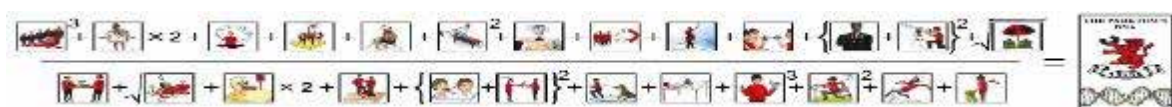

To all the staff, learners and parents, I wish you all a well earned break. If you are travelling, please be safe. Use the holiday to relax, catch up on your work and stay fit!

We look forward to an exciting third term!

Mr KM Stippel

PARKTOWN DNA

The Parktown DNA encapsulates our values: Those aspects that we want to live up to in the numerator and those anti-values we want to avoid and eradicate in the denominator:

FEATURED ANTI-VALUE: 'Politics and Gossip'.

POLITICS & GOSSIP

From our Z-Card (Bottom line):

We will actively discourage and guard against backstabbing and gossip.

Vivid examples:

When serving the school, we don't have our own agenda. We have the Parktown agenda.

Instead of criticising others in public or within the inner-circle of your close friends, have you ever tried to correct others in private, face to face, and with charity?
