

# FEEL THE PRIDE

Volume 2 No 19  
2017

Welcome back after a well-deserved break. We look forward to a busy and successful term ahead.

## A NOTE FROM THE ACTING HEADMASTER

Dear Parents

As from Monday the 7th of August we will not be allowing boys to wait outside the school in the afternoon. Boys will be able to go outside the gates once their parents have arrived. They will also be allowed to walk out and see if their lift has arrived but, if there is no-one there, they will be required to wait inside the school. We would urge you to communicate with your son so he is aware when you are arriving. Alternatively, you can drive in through the top gate and fetch your son at the Jubilee Lounge and then drive straight out through the exit.

If you collect your son after 18h00 you will be required to drive into the school to fetch him. This is part of our safety plan we are implementing at the school which includes controlled access points and a clean-up of Wellington Road which will remove hawkers and people parking illegally in front of and around the school. The school has entered into partnership with the local police and social services to assist us in achieving our goals.

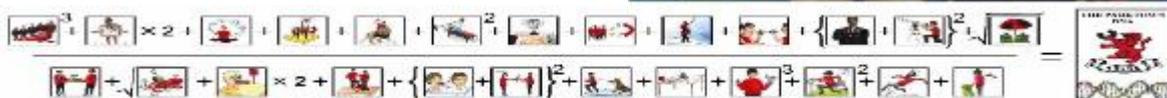

Parents will be issued with a parking sticker in the upcoming weeks.

I ask that you co-operate with the school security staff.

Mr Kevin Stippel  
Acting Headmaster
