### ***SA CROSS COUNTRY CHAMPIONSHIPS***

Maxime Chaumeton competed in the South African Cross Country Championships in Potchefstroom on Saturday, along with the top 100 youths from all over South Africa. The course was organised by Jean Verster (Caster Semenya’s coach) and the race took place in over 30 degree heat, with very high dust content in the air. Maxime took 2<sup>nd</sup> place overall and is thus rated Number Two in the country in his age group and Number One in Gauteng province by Athletics South Africa. Congratulations!

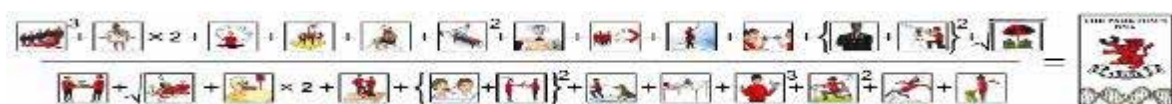

### ***SOUTH AFRICAN MATHS TEAM COMPETITION***

Two learners from PBHS were selected to participate in the prestigious South African Mathematics Foundation (SAMF) SA Maths Team Competition. This national competition was held on Saturday 9th September and the boys represented Gauteng. The learners, Mohamed Mosam (Grade 10) and Ierton Liu (Grade 11) were part of the Gauteng Wits Team. ## PARKTOWN DNA

The Parktown DNA encapsulates our values: Those aspects that we want to live up to in the numerator and those anti-values we want to avoid and eradicate in the denominator:

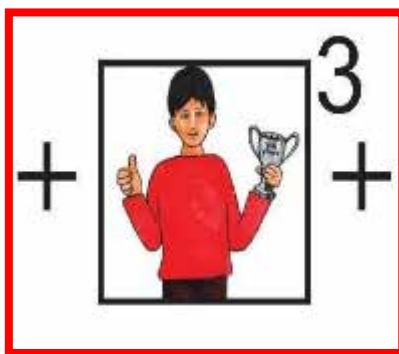

### FEATURED ANTI-VALUE: 'Poor Performance'.

From our Z-Card (Bottom line):

Low standards and expectations are not acceptable.  
Poor performance will be met with severe consequences.

Vivid example: We might not be able to win all the time, but all the time we are expected to do our very best in the classroom, on the field and at home.
