## GYMNASTICS

Noa Strike-Nakar recently represented the Wanderers Gymnastics Centre at the Junior International Memorial Cup in Novi Sad, Serbia. We are very proud to share the news that he was made Team Captain for this International Competition, and returned home with the Silver Medal for his performance on Rings, beating over 25 participants from all over Europe in this position! Parktown congratulates Noa on his fine achievement!

## ROWING

During the past weekend, the Under 16 Rowing team rowed on behalf of the Cancer Awareness initiative at the John Waugh "Rock the Boat" social regatta. Thank you to these fine gentlemen – a worthy cause indeed!

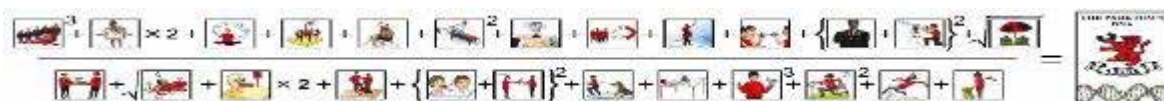

*We wish the team participating in the Buffalo regatta in East London this week the best of luck.*

## ART

It gives the school great pleasure to announce that a 2017 alumnus, Griffen Alexander, has been awarded a certificate for being the top Visual Arts achiever at the recent Johannesburg East District awards ceremony based on the 2017 National Senior Certificate results. In his final examinations, Griffen secured five distinctions. At his Valedictory ceremony, he was the recipient of both the Stephen Hemp Memorial Art prize for the best Matric art work, and earned the subject prize for the top Visual Art mark in the grade. Griffen was also a member of the 2017 Student Executive Council and was awarded Full Colours for Chess. He is currently enrolled in the Fine Arts faculty at Wits University. We congratulate him on his efforts and wish him every success in his future endeavours.

## CROSS COUNTRY

Congratulations to Maxime Chaumeton for his selection to participate in Mauritius against all the Southern Hemisphere nations (on behalf of the Southern Region Cross Country Federation) in March 2018. In addition to this accomplishment, Maxime is also to be commended for his selection to participate in the African Cross Country Championships which will be held in Algeria next month.

This feat means that Maxime will now be awarded with his **second** SA blazer in the last twelve months. What an outstanding achievement! Congratulations on behalf of everyone at Parktown Boys' High School.

## WATER POLO

Good luck to our Under 14 Water Polo players who are participating in the Crawford College Tournament throughout the week.

The Parktown DNA encapsulates our values: Those aspects that we want to live up to in the numerator and those anti-values we want to avoid and eradicate in the denominator:

**FEATURED ANTI-VALUE: 'Poor Performance'.**

From our Z-Card (Bottom line):

- Low standards and expectations are not acceptable.
- Poor performance will be met with severe consequences.

Vivid example: We might not be able to win all the time, but all the time we are expected to do our very best in the classroom, on the field and at home.
