

FEEL THE PRIDE

Volume 3 No 7
2018

I would like to take this opportunity to wish the school community well in the final fixture of the term this weekend against King Edward VII School. It would be most satisfying to see as many parents possible supporting our young men tomorrow. Please be reminded that this is a compulsory fixture.

Examinations start next week Friday and the focus after this weekend needs to shift towards the ongoing preparation for these formal assessments.

All updates on provincial selections and the recent cultural activities will be included in next week's newsletter.
