## COMPLIMENT

Well done to all our boys on their excellent manners, particularly when they are in the public eye. The extract (below) certainly makes us proud of our boys and of our ongoing tradition of gentlemanly conduct:

19 May 2018

Dear Mrs van Heeswijk, Mr Stippel & Hockey coaches

Once again, I find myself writing to compliment the manners of the Parktown Boys at the Aitken Trophy hockey tournament held last weekend.

The Parktown Boys were the ONLY school who would walk past us in the stands and greet, without fail.

Tipping of caps and "good-day ma'ams" were the norm, and in such a big environment (ie the Randburg Astro), and with *many* schools participating over the 3 days, this was again particularly noticeable.

Well done to your hockey boys! A fine generation of Parktown-lads is being raised. Well done!!

Kind regards

Shayne

## PARKTOWN DNA

The Parktown DNA encapsulates our values: Those aspects that we want to live up to in the numerator and those anti-values we want to avoid and eradicate in the denominator:

### FEATURED ANTI-VALUE: 'The "Clock Watch" mentality'.

# THE "CLOCK WATCH" MENTALITY

From our Z-Card (Bottom line):

By dedicating our time and focusing our energy we will:

- Develop the school
- Be leaders in education
- Build character

This applies to extramural programmes as well as to our work in the classroom.

Vivid example: This is how we make Parktown and ourselves great: By fulfilling our duty, whether it is big or small, whether we are tired or not. Many 'big things' depend on fulfilling your small duty to perfection.
